

COCALICO PLUMBING & HEATING

Energy bills have skyrocketed! And if your reaction to your latest electric bill caused you to gasp, there is hope. Cocalico Plumbing & Heating can help you find ways to reduce your energy use, with the latest products like geothermal heating and “green” water-saving plumbing. They will review your energy usage and offer suggestions on ways to trim energy costs.

Remember Cocalico Plumbing & Heating for repairs and all your regular preventative maintenance for heating, air conditioning and plumbing. Known for quality, reliability and reasonable prices, they also offer 24-hour emergency service for those unexpected household disasters. Check out their website at www.cocalicoph.com for special offers and energy-saving products to relieve energy bill anxiety.

Cocalico Plumbing & Heating is located at 27 North 4th Street, Denver, PA. You can call for more information at 717-738-0760.
