

JOHN T. GOTWALT, DDS SARA J. GOTWALT, DMD

Shown, L-R:
Dr. Sara J. Gotwalt,
DMD, and Dr. John T.
Gotwalt, DDS.

Dr. John Gotwalt, a family dentist with a passion for natural and distinguished dental projects, is proud to welcome his daughter, Dr. Sara Gotwalt, to his dental practice. Dr. Sara is the third generation of Gotwalts to practice in the field of dentistry. John joined his father, Dr. Spurgeon Gotwalt, 30 years ago in Akron, and Sara joined her father in 2009. In 1996, Dr. Gotwalt moved from the Akron office to his present location to provide his patients with a more relaxing atmosphere and an unparalleled view of Northern Lancaster County.

When you arrive at the office, you will be greeted with a warm smile. There are no sign-in sheets and no glass windows to block you from being a part of our daily lives. Our goal each day is to treat every one of you with the same kindness we would expect for ourselves. We love to get to know our patients and celebrate with them in their joys. We value excellence in dentistry and building relationships with you, your family and friends, who trust us while providing your dental care.

Dr. Gotwalt believes in individual care, time to get to know each patient, and providing appointments that are scheduled just for you, allowing you to keep your schedule, too. He believes that education and the pursuit of higher knowledge will make our journey together the best it can be. It provides us with joy and success at a master's level as well.

Dr. John graduated from Ephrata High School in 1972, Gettysburg College in 1976, and Temple School of Dentistry in 1980. Being very active in continuing education, he also received his Fellowship degree in 1996 and will be awarded his Masters degree this year. He is also very active in the AGD and PEAK continuing education programs. Dr. John is a school dentist for Ephrata Area School District, volunteers to treat needy children from the Ephrata District through the Dental Net Program, and volunteers his time treating patients at the Water Street Rescue Mission in Lancaster.

Dr. Sara graduated from Cedar Cliff High School in 1996, Penn State University in 2000 with a BS in biology, University of Pittsburgh Dental Hygiene in 2004, and the University of Pittsburgh Dental School in 2008. She completed her dental residency program at the Pittsburgh Veterans Hospital in 2009. Sara is a member of the AGD and is attending the PEAK programs.

Please call for an appointment at 717-627-6980, or stop in and visit us at 2320 Rothsville Road, Suite 300, Lititz, to see if we are the right match for you and your family. We'd love to meet you.
