

# HAPPY HOUNDS DAYCARE

## *We Play While You Work!*

In October 2008, motivated by her love of dogs and the enjoyment she receives from caring for dogs, Lori Widders (Owner/Manager) purchased Happy Hounds Daycare from Pat Haller, who continues to operate her grooming business from the same facility. The business started with only a handful of dogs, but has grown to about 60-80 dogs a week.

Lori and her staff, Bonnie Goshert, Kim Stricker, Joanna Simmons, Jolene Newcomer and Katie Leisey, are committed to giving your dogs a safe, fun and happy environment to play and socialize in during the day. The entire staff loves dogs and couldn't imagine life without them. They even bring their own dogs with them to work!

The dogs certainly enjoy coming to the daycare as well. Lori loves seeing how happy the dogs are to come to daycare in the morning. Pet owners have remarked how excited their dogs are when they mention, "Are you ready to go to Happy Hounds?"

The daycare is indoors with heat and cushioned floors. There is ample time to run and play along with rest/nap times which provide everyone a chance to catch their breath. The dogs will definitely be tired out when you come to pick them up at the end of the day.

To make your life a little less hectic in the morning, Happy Hounds Daycare offers a pick-up service at a nominal charge. There are also evening obedience classes and evening/weekend indoor playground times. During playground time, you actually stay with your dog and get to enjoy playing with them and watching them socialize with the other dogs. The facility is also available for private groups.

Whether you are looking for a daycare for your dog or a fun and safe place to exercise your dog, give Happy Hounds a call at 717-733-8748.

Happy Hounds is located at 227 Wood Corner Road, Lititz. Daycare Business Hours are Monday – Friday, 6:30 a.m to 6:00 p.m. [www.hhdaycare.com](http://www.hhdaycare.com)
