

HOMETOWN Values™ COUPON MAGAZINE

Hometown Values Coupon Magazine will be premiering in Denver/Ephrata at the end of May. The magazine was designed to give local merchants affordable advertising to reach new customers in their target area. Our economical ads include professional graphic design, printing and postage.

Owners, Rocky and Virginia Formica, started the business in 2009 as a way to promote local businesses in our community, as well as for their maid service, Maid in Heaven. They also plan to promote charities in our area and will feature one in every magazine. Hometown Values magazine also features a Local Events Calendar as a community resource. Event listings are free. If you would like yours listed, please give them a call, or email to Virginia@myhometownvalues.com.

Rocky and Virginia are looking forward to helping local businesses with their advertising needs. To find out about their first time customer offer and free ad size upgrades, call 717-335-2258 or email them at Virginia@myhometownvalues.com.
