Woodcrest Retreat in Ephrata will hold its 8th Annual 3D Benefit Archery Shoot on Saturday, August 26. Archers of all ages are invited to attend and enjoy testing their skills on the 30-target course. With a wide variety of animals and shooting angles, this year will be sure to prepare you for the upcoming hunting season. For the registration fee, you will appreciate the hearty hot brunch at 10:00 a.m., during which you will be encouraged spiritually by speaker and archer Frank Rice. Then have a chance at door prizes and time to peruse the archery supplier booths.
