The Akron Lions share their profits from the Ephrata Fair food sales. It has been since the end of September that the Akron Lions served about 14,000 toasted cheeseburgers. “We Serve” is the Lions’ motto, so serving sandwiches gave them the opportunity to give to other organizations in the community, so that they in turn may serve the people that they help. The Akron Lions invited 16 community organizations to their Donation Dinner Meeting to pass on those profits from the Ephrata Fair. Many of the organizations they donate to also help the Lions in the trailer during fair week, which they appreciate so much. Thanks to all who purchased food items from the stand. They hope you come back for the 100th year of the Ephrata Fair. The total donation amount was \$28,400.
