The Men's Brotherhood of St. John's U.C.C., Denver, presented Ephrata Area Social Services (EASS) with two checks totaling \$5,000. \$3,000 went to the EASS Fuel and Energy Assistance for Family's fund and \$2,000 to the EASS Meals on Wheels (MOW) service to underwrite a week of meals for the MOW recipients.

Funds were raised during the Men's 2nd Tuesday of the month, and the Ephrata Fair Tent City popular cheese steak sales.

Thanks to all who supported the cheese steak sales allowing the Men's Brotherhood to, in turn, support these worthy EASS causes.
