Local youth were amazed as Marcy Klutchka delivered “Giggle Magic” at the Ephrata Library recently! Giggle Magic shows for this year’s Summer Reading Program included “Silly Safari,” “Farmyard Fun” and “Yum Yum Veggies.” These shows are designed to captivate young audiences and within seconds have the children giggling, engaged and off on a journey comprised of age-appropriate magic, puppets and slapstick comedy. Then it is time to get up and move to a Kidz-Rock Dance Party! Giggle + Magic = Awesome Entertainment!
