

# BARRY'S PAINT SHOP, INC.

Barry's Paint Shop, Inc. has been in the collision repair business for over 40 years. Barry's specializes in complete collision repair. They use state-of-the-art equipment, as well as using computerized estimating that enables electronic communication to speed up claims handling. Training their technicians and staying

in tune at a national level keeps them aware of changes in the industry, all of which is essential for a quality repair. Barry's Paint Shop is certified by Ford, Nissan, Honda, Dodge, Jeep, Chrysler, GMC and Chevrolet. Faced with an ever-changing industry, they provide an additional area for their customers to meet with agents or car rental personnel.

Stop in, have a cup of coffee and meet estimators Wendell or Daryl, and they will be happy to assist you. Located at 33 Long Avenue, Ephrata, they're open Monday through Friday, 8:00 a.m. to 5:00 p.m., evenings and Saturday mornings by appointment only. To contact them by phone, call 717-733-6900.
