

GEORGE J. GROVE & SON, INC.

CELEBRATING 55 YEARS
of serving "you" in Lancaster County

PA962

In 1954, the late George Grove Sr. started what was later to become George J. Grove & Son, Inc. He was one of the county's leading installers, offering customers a complete line of home improvement services. The Manheim Pike business started out in George Sr.'s home with one pick-up truck and George Sr. as the sole proprietor and only employee.

George J. Grove Jr. entered the business at a very early age, assisting his father and grandfather, Cleon Grove Sr., with installations. The business moved from George Sr.'s home to a shop on Cabbage Hill. In 1973, the business incorporated, and then moved to their current location at 1219 Manheim Pike.

In keeping with family tradition, George J. Grove III, a third generation, also entered the business at a very early age, bringing with him the same passion and attitude his grandfather had when he started. The Groves have built their business on a firm belief in a quality product and installation, in maintaining the highest levels of professionalism, integrity and fairness in their relationships with their customers. They are family owned, always have been and always will be. They insist that customers get the best products on the market for their money.

The Groves employ a full team headed by George J. Grove, Jr., who is dedicated to providing exceptional customer service. The company strives to establish lasting relationships with their customers by exceeding their expectations and gaining their trust through fair prices and exceptional service. They have been loyal members of the community for over 50 years.
