

# PARAMOUNT LIVING AIDS, LLC

For people with mobility challenges, it is important to have personalized home modifications to ensure safety and independence in their home. That's where Paramount Living Aids comes in. Paramount Living Aids, LLC is a locally owned and operated company specializing in stair lifts, ramps and other mobility aids.

Paramount Living Aids has been serving residents in the area since 1998. Our team consists of George Van Horn, Operations Manager; Zach Sarig, Sales; and three certified technicians. We derive the most satisfaction in our business from helping our customers overcome obstacles. Paramount Living Aids promotes independence, self-confidence and personal comfort, which helps our clients fulfill the desire to maintain the highest quality of life.

We offer a personalized customer experience to provide a solution to satisfy every customer's needs. The major brands we feature are Acorn, Brooks, Bruno, EZ-Access, Healthcraft, National Ramp and Pride Mobility. We are able to beat all factory direct pricing.

Contact Paramount Living Aids today to schedule your FREE in-home assessment. We are happy to help you gain the independence you deserve!
