Since 1958, Richard L. Sensenig Company has been the area's trusted source for industrial and commercial roofing, sheet metal, and custom metal fabrication services.

At 80 employees strong, we've built our reputation on modern technology and good, old-fashioned craftsmanship. Above all, we go out of our way to serve our customers in an honest, dependable, and professional manner.

When you choose Richard L. Sensenig Company, you can trust the job is done right, on schedule, and at a reasonable price.
