

WILLIAM E. POOLE FAMILY DENTISTRY

William E. Poole DDS, P.C. is a full service, patient centered dental office serving the needs of the entire family. By staying current with technology, they are able to maintain and improve your dental health and smile. They have incorporated multiple new technologies to improve patients comfort and safety and their goal is to make each visit as efficient and comfortable as possible.

Comprehensive selections of treatments offered include anything ranging from teeth cleaning and preventative care to basic emergency services such as root canal therapy and tooth extractions. Cosmetic dental treatments are also available including laser tooth whitening and porcelain veneers.

Dr. William Poole has been at the 21 East Main Street, Leola location since 2001. He purchased the practice in 2006. He is a member of the Lancaster County Dental Society, Pennsylvania Dental Society, the American Dental Society, the Better Business Bureau and the Academy of General Dentistry. His goal is to provide patients with high quality dentistry with a personal touch. The personal care delivered by the office is thanks to the entire dental team, Brenda, office manager, Cindy, dental receptionist, Lynn, Sue and Melissa, dental assistants and Valentina, Sue, Tara, Sarah and Michelle, dental hygienists. They all work together to get to know each patient so they can better understand the patient's wishes and dental goals.

If you are looking for excellence in dentistry, call for your appointment today. Their phone number is 717-656-2586. Hours are Monday and Thursday, 8:00 a.m. to 6:00 p.m.; Tuesday, 7:00 a.m. to 5:00 p.m.; Friday, 7:00 a.m. to 1:00 p.m.; and certain Wednesdays, 7:00 a.m. to 12:00 p.m. Their website, www.williampooledds.com provides extensive information for patients.
