## BOOK STORE

Founded by the late Lester R. Sauder, Clay Book Store is in its 55th year as a family owned business. What began as his personal interest in German and English Bibles, religious and story books, soon included topographic maps for hunters, surveyors, property owners

and recreational use. School and home school books and supplies, stickers, greeting cards (boxed and single), and a huge display of puzzles were later added. In addition, today the store continues to offer large displays of KJV Bibles; study aids; songbooks; storybooks from conservative publishers; juvenile, children's and preschool books; nature identification and field guides; cookbooks; road maps, atlases and globes; and approximately 50,000 used books in a wide range of topics. We would like to thank our loyal customers for their wonderful patronage over the past 55 years!
