

Eagle Building Solutions LLC has been exceeding customer expectations since 1981. Their employees have the experience to handle anything that may arise on a project – from framing to finish carpentry. Eagle Building Solutions LLC is your one-stop shop for all your construction needs.

Services offered range from small home improvements to larger, more comprehensive construction projects. Their goal in every project is to help customers achieve their dreams. Eagle Building Solutions LLC is truly a leader in the home improvement industry.

They are also experts in gutters and covers, sunroom additions, roofing and siding, and windows and doors. They offer products and services of the highest quality and value for the money. The products they work with will always add the most value while incorporating the latest technology and most effective installation methods available. Major brands featured are Paradigm Windows, Marvin Windows, ProVia and ThermaTru Doors, Mastic and CertainTeed vinyl siding, James Hardi, Boral and Azec siding and millwork, GAF shingle roofing, Standing Seam roofing, Gutter Pro Tech, Gutter RX gutter covers and Seamless and half round gutters. “Very responsive and fair pricing too” and “Awesome to deal with and explained the process, showed sample of material being used. Great to work with,” are just a few of the positive comments Eagle Building Solutions hear from their customers.

As Christian men, owners Jay P. Weaver and Marlin R. Martin try to their best ability to run a company that is founded on honesty and truth in all things. Both owners have been involved in the building and remodeling industry since the mid-1980s. When the opportunity was given to pick up and carry on Eagle Building Solutions in 2011, both owners agreed it would be a good fit.
