

We're Your New Neighbors!

As a community bank, a key principle of our vision is to support the growing communities we serve. Through monetary donations and the contributions of time and talent by our employees, we improve neighborhoods, making them better places to live, work and play.

We're small enough to provide the personal service you expect from a community bank, yet large enough to offer the products and services to take your growing family or business to new heights. Let our experience and passion become your greatest resource.

Proud to support the economic development and growth of rural America.

- Consistently ranked as one of the top 100 best performing community banks in the Nation and one of our Nation's top Ag Lenders.
- Named the number one bank in Pennsylvania by our customers for trust and satisfaction in a nation-wide survey conducted by *Forbes*.
