

Rt. 272, Ephrata

Huber's Auto Group's number one priority is to serve their community with honest, quality auto repairs. The Huber family has been in the auto service business for over 38 years, and has some of the area's most experienced and highly-trained technicians. Their special tools and diagnostic equipment are used to perform a wide range of repairs – major or minor.

Services include: state inspection and emission testing, road force tire balancing and four wheel alignment, wheel straightening, check engine light and computer diagnostic repairs, 30/60/90 scheduled maintenance, engine timing and head gasket repairs, fluid flushing and oil changes. They back their work with a 12-month/12,000-mile parts and labor warranty for your peace of mind.

Huber's specializes in European cars like Volkswagen, Audi, BMW, Mini and Mercedes maintenance and repair. In order to best serve their friends and neighbors, they also service all vehicle makes and models, both import and domestic.

Huber's auto sales department is known for super clean, fully serviced vehicles – hand-picked, certified and backed by a personal bumper to bumper warranty. See complete inventory at [www.huberauto.com](http://www.huberauto.com).

Huber's Auto Group also has auto rentals including economic, late model car rentals, minivan rentals, 8 to 12-passenger vans, 15-passenger vans, SUV rentals and pick-up truck rentals.

You can count on Huber's staff to provide you with the assistance you need for auto repair, auto sales or auto rentals. Stop by Huber's Auto Group on Route 272 on the triangle of Trout Run Road in Ephrata, or call 717-733-2631 today! Please go to their website for their different department hours.
