

RAYNOR

SIGNAL CONTROL Garage Door Co.

known for their security and dependability as well as for being the only garage door with a warranty “for as long as you own it” against any rust!

Signal Control takes the extra step when anticipating customers’ needs. Now in their 26th year, the company office and showroom is located in a restored 19th century barn complete with displays of full-sized working garage doors and operators.

Visit the showroom and see the products for yourself. Signal Control offers a variety of styles and colors, including various raised panel, carriage house and window options.

If your door is an odd size, call or stop by the showroom to discuss the available options. Free door estimates are no problem at Signal Control and their sales representatives will even bring samples to your home!

Signal Control is a locally owned business serving your community. They are located at 2255 West Main St., Route 322 W, between Ephrata and Clay. Showroom hours are Monday through Friday, 7:30 a.m. to 5:00 p.m.; Saturday 9:00 a.m. to 12:00 noon; and evenings by appointment. Call 717-733-7570 or toll-free 800-285-6826. Visit them on the web at signalcontrol.net. Customer satisfaction is the number-one priority at Signal Control!

Your garage door is one of the largest and most frequently used components of your home. Signal Control offers a skilled, experienced service team whose goal is to keep your door and operator working at peak performance and safety. They sell, install and service garage doors and electric operators for residential, commercial and industrial customers.

Signal Control handles a full line of Raynor garage doors and operators. Raynor residential doors are

For well-crafted garage doors and excellent service, visit Signal Control Garage Door Co. Pictured in the showroom is owner Ken Garman holding a garage door panel.
