We are proud of the reputation we have developed with our Ephrata customers and community leaders over the past forty five years. Providing the best internet, phone and cable products to residential and commercial customers throughout the area is our business and we do it very well but we also recognize the importance of supporting community projects and initiatives because after all, we live here too. Blue Ridge has made significant investment in our network and infrastructure over the years that has enabled us to provide customers with the fast and reliable services they want.

Here are just a few things that Blue Ridge customers enjoy:

- Internet Speeds Up To 1 Gig with Unlimited Data
- A Reliable, Affordable and Easy to Use Whole Home WiFi Solution
- TiVo with Voice Activated Remote Control
- Easy Access to Watch TV Apps from Over 90 Networks Free with Blue Ridge TV Service
- Two Hour Appointment Windows
- Free Service Calls
- No Hidden Fees On Your Monthly Statements
- A Local Team That Respects and Takes Care of You

When a customer chooses Blue Ridge as their provider they are placing their trust and confidence in us. This is a responsibility we take very seriously. While there may be other companies in the market competing with us we believe we're different and better than all the rest and we're confident that consumers will see those differences and recognize the value in dealing with local Blue Ridge people that are deeply connected to the neighborhoods they serve.
