

HICKORY RUN FAMILY CAMPGROUND

Located at 285 Greenville Road, Denver, Hickory Run Family Campground offers families a peaceful getaway without having to travel far. The campground is beautiful and provides site and cabin rentals. The campground opens April 1 and closes November 1.

Hickory Run's beautiful three-acre lake is used for fishing, kayaking and paddleboating. The lake is stocked twice a year with trout, and in the summer, bass fishing is enjoyed by many campers. Other favorite activities at the campground include hayrides, BBQs, dances, movies, basketball, tennis, volleyball, ceramics, playgrounds and games. A free pancake breakfast is offered on Saturday mornings. The campground is also home to 4 horses, 2 goats and all of nature's critters.

Special events are held every weekend throughout the season. A big hit with the campers are the pool parties where free hot dogs are served and an outdoor DJ is provided, along with games for the kids.

Owner Stan Staneski and his son, Stan Jr., have met people from all over the world and have made many lasting friendships. Their courteous and friendly staff are always ready to lend a helping hand and make your visit to Hickory Run enjoyable and memorable.
