

NEW HOLLAND VETERINARY HOSPITAL

Pets are an extension of the family, and when they are sick or need a check-up, you want them to have the best possible care. At New Holland Veterinary Hospital, the doctors and staff are eager to cater to the varied needs of your pet by providing them with the best possible medical, surgical and dental care.

Doctor Harris began working in New Holland in 2003, and purchased the business in 2009. He has been practicing veterinary medicine for 36 years. Working along with Dr. Harris in the practice are Dr. Grace Amicone, Dr. Christopher Sicuranza, Dr. Brian G'Sullivan, and daughter, Dr. Diane Harris Tomaskovich. The staff of 24 employees enjoys meeting new people and of course, their pets, including dogs, cats, small mammals and reptiles!

In addition to building a new hospital, Dr. Harris equipped the facility with improved diagnostic technology and equipment to help extend your pet's life. He also added a grooming center and a retail area that stocks a variety of pet foods, along with flea, tick and heartworm preventatives, collars, leashes and assorted pet supplies.

New Holland Veterinary Hospital is located at 700 East Main Street, New Holland. Business hours are Monday through Thursday, 8:00 a.m. to 7:30 p.m.; Friday, 8:00 a.m. to 5:30 p.m.; and Saturday, 8:00 a.m. to 11:30 a.m. The office is closed on Sundays. For a complete listing of details about the practice, please see their website at www.newhollandveterinaryhospital.vetsuite.com or like them on Facebook.
