

THE GROVES

Retirement Home

The Groves provides a warm, caring and home-like setting for seniors who need some assistance with the activities of daily living. From daily meals, to shopping trips or visiting friends, to baking in the kitchen, the Groves offers its residents an independent lifestyle without the worries of living alone.

The Groves accommodates a limited number of residents and provides the personal touches that are absent from larger facilities. It is truly the residents' home, providing all the comforts of home and focusing on the residents' health, happiness and peace-of-mind.

There is no entrance fee and reasonable daily rates include rooms with private baths, three meals per day, evening social hour, cable TV in each room, daily activities, scheduled transportation, laundry linens, housekeeping, 24-hour staffing, medication monitoring and assistance with daily living needs.

The Groves is located at 103 West Main Street, Ephrata, and can be reached at 717-733-2040. Feel free to call or stop by. They will be glad to answer your questions and show you around. www.thegroveshome.net
