

CHOICE HOME REMODELING, INC.

Wayne Chapin and Jeff Zeiset founded Choice Windows, Doors & More, Inc. in early 1995 as a window and door installation company. As their customer's needs grew, the business grew in response and began adding additional services. Choice is now considered a "one stop shop" for all your home improvement needs, offering windows, doors, siding, additions, decks, kitchens, bathrooms, and sunrooms. In 2020 Choice Windows, Doors & More, Inc. became Choice Home Remodeling, Inc.

With the addition of the large chain stores entering the home improvement industry, consumers often sacrifice quality. At Choice Windows, Doors & More, Inc., only the highest quality goods are used to ensure complete customer satisfaction.

For the past 26 years, Choice has been serving homeowners throughout Lancaster, Berks & Chester Counties. They are fully insured, a member of the BBB, BIA, Chamber of Commerce and the NKBA, and have been voted #1 for the Lancaster Newspaper Reader's Choice Award for "Best Window and Door Installer" many years in a row.
