You Stand On Our Reputation

D&S Flooring's main priority is to provide excellent flooring solutions to their customers. Whether it's the quality of their products or the work being performed by their professional staff, D&S Flooring strives to maintain a reputation of excellence in all that they do.

D&S Flooring is a full service flooring store that serves the needs of commercial and retail customers as well as homeowners, builders and contractors. They are big enough to serve you and small enough to care about the details. In today's flooring market, there are so many flooring options. Tile, hardwood, carpet, vinyl and laminates have seen so many advancements over the years. The D&S Flooring staff can help you find the best choice for you or your business.

Seeing the transformation in people's homes gives owners Derry and Sherri Weaver the most satisfaction in their business. It serves as a reminder of how God transformed their life. Derry started the business out of a passion and skill for the flooring industry and as a Christian man, a leading from the Lord. Derry, Sherri and their family are genuine, God-fearing people who know a lot about the industry and lead the D&S Flooring team well, relate to customers professionally and are super kind and approachable. There is a Company Intercessor on staff that prays and seeks God's will for the entire team.

D&S Flooring is not only committed to God, but to you as a customer as well. Please call them for your flooring needs.
