

HARDWOOD FLOORS OF LANCASTER

Bringing the World's Best Hardwood Floors to You!

Owner of Hardwood Floors of Lancaster, Thomas H. Dux, has traveled the world to bring the best hardwood flooring companies to North America. From China, Taiwan and two companies from Quebec, Canada, Thomas is able to buy the best quality directly from the importer and not from distributors. Many flooring stores sell what their distributors have for them to sell, but Hardwood Floors of Lancaster are specialists in wood flooring and will work hard to find you a quality product at an affordable price. If you cannot find what you are looking for, Hardwood Floors of Lancaster will make it for you!

If durability and low maintenance flooring are your top priorities, hardwood flooring may be the best choice. Hardwood Floors of Lancaster has wood floor samples available so you can see the flooring firsthand. You are welcomed to bring a sample home with you to see the wood in your home and make the selection that is best for you. Major brands sold are TEKA Hardwood Floors, Superior Hardwood Floors and Keystone Hardwood Floors (which are our own brand made just for you) - in case you can't find what you are looking for.

If you are looking for flooring that is waterproof, kid proof and pet proof, vinyl flooring may be the best choice for you. Come in and let the floor specialists help you make informed decisions when investing in your home flooring.
