

# NOLTS PROPANE CONNECTIONS, LLC

Nolts Propane Connection has been a family owned business for the last 56 years. Grandpa had a farm shop and filled some propane cylinders for the neighbors. The following generation developed an on farm sideline business. Today, the third generation is now in charge of daily operations along with the fourth generation helping out.

We have a team of friendly and knowledgeable guys. If you have a minor propane question or hookup need, get your answer and parts at the sales counter. We have many years of combined experience.

Propane tanks are the main part of what we do. We educate you on the type and size of tank that is the most practical to fit your needs. We are equipped to install all sizes of propane tanks and trench gas lines. Get a free estimate before you start. Please note that we do not deliver bulk propane or fuels. But we fill portable propane cylinders at our fill station. We also service most propane and natural gas systems. Diesel and gasoline tanks are also sold, and Highland skid tanks single wall & double wall, are very popular in the 300, 500 and 1000 gallon sizes. We also stock and sell sea containers for instant storage, 20' used & new (1 trip) 1 end open or 2 ends open & 40' hi cubes are popular.

Nolts Propane Connections, LLC is located at 676 North Shirk Road, New Holland, PA 17557. Please give us chance to estimate your next job or item. Call 717-354-5691, option 1, or email your request to: [noltspc@emypeople.net](mailto:noltspc@emypeople.net).

Our hours are Monday to Friday, 7:00 a.m. to 5:00 p.m., Saturday 7:00 a.m. to 11:00 a.m., and closed to Worship God on Sunday.
