

Fairmount

Dedicated to Faith, Family & Community

Fairmount has been serving the community by providing quality healthcare for over 50 years. Fairmount's hallmark has been a commitment to our mission; *"Founded on Christ's love and Mennonite values, we strive to enrich the lives of those we serve."*

As a Continuing Care Retirement Community, Fairmount offers multiple levels of care to assist our residents. From Residential Living apartments and cottages, to Personal Care, to Rehab to Health Care, we provide for the health and wellbeing to all those we serve, right here on our 50+ acre campus.

Our Core Value of Community is at the heart of what we do. We have been blessed with hundreds of volunteers who support our mission, and in turn, our residents continue to find ways to serve the broader community.

Learn more about Fairmount Residential Living at one of our Open Houses; April 5, April 7, April 19 or April 21. All of the Open Houses run from 2pm to 4pm. Make your reservation by calling 717-354-1800 or by visiting FairmountHomes.org.
