

MARTIN'S REPAIR SHOP, LLC

The last thing you need when spring begins is a lawn mower that needs repair. With Martin's Repair Shop, LLC in your contact list, you'll always have an affordable solution for repairs. With a large inventory of parts and equipment, repairs can be implemented quickly. Pick-up and delivery for service is available and equipment can be stored for you. Call for details.

If your mower is beyond repair, Martin's Repair Shop can offer you a great deal on a new one. They specialize in Ferris, Snapper, Husqvarna, Walker, Tanaka, Exmark, Echo, Crop Care and Solo brands. They are master dealers for most of the lines they handle.

Located at 27 West Mohler Church Road, Ephrata, Martin's Repair Shop has been in business for over 40 years. A small engine repair business on the side eventually grew to the point that Mr. Martin opened his own repair shop. He expanded from repair into retail sales of walk and riding mowers, weed trimmers and sprayers and commercial equipment.

For more information, stop in or call Martin's Repair Shop at 717-733-3015. Check our website: martinsrepair.com, or call the shop for hours of operation.
