

WOODCREST RETREAT

You're invited to come experience the wonder of God at Woodcrest Retreat. We offer a variety of ways for youth, individuals, families, churches and businesses to get away from the everyday and enjoy a special day.

Known for our award-winning day and overnight camp programs for children ages 6 to 16, we also help you create the perfect space for your gathering - whatever it may be. We offer:

- 50 site campground
- Cabin rentals for families and small groups
- Meeting spaces and pavilion rentals for groups 10-300
- Outdoor education programs for home-schoolers and school groups

We are located at 225 Woodcrest Drive just off the 222/322 exit in Ephrata. To learn more, call 717-738-2233 or visit online at:
