

JOHN WEIDMAN & SONS, INC.

For more than 80 years, John Weidman & Sons, Inc. have always valued their customers. This has led them to be known for being one of the most dependable heating and cooling sales and service business in Lancaster, Berks and Lebanon counties. No matter what season it is, you can count on John Weidman & Sons, Inc. to provide outstanding service to both residential and commercial customers.

John Weidman & Sons, Inc. was started by John Weidman in the mid-1930s as a coal delivery business. After WWII, his sons joined their father as the company changed to an oil and HVAC business. John Weidman & Sons, continues to be a true, genuine family-owned business today. Along with their employees, you will see family members installing and servicing their equipment, delivering fuel oil, answering the phones and working all divisions of the company. Granddaughter Carol Weidman Hill, along with Paul Hill, Sr., Paul Hill, Jr. and David Hill, continue to carry on the family business.

They service, repair and install all types of equipment including Bryant air conditioners, heat pumps and gas furnaces. Oil furnaces are from trusted manufacturers like Williamson and Thermopride. Boiler brands include Burnham, New Yorker and System 2000. John Weidman & Sons, Inc. also offers sales, service and delivery of heating oil, kerosene and diesel fuel at competitive prices.

Weidman's staff will take your call and provide you with the service you request. They are open weekdays, from 7:00 a.m. to 5:00 p.m. and winter hours on Saturday, 8:00 a.m. to 12:00 p.m. They can be reached for emergencies 24 hours a day, 7 days a week, by calling 717-733-4161. They are located at Rear 541 East Main Street, Ephrata. Their website can be viewed at johnweidmanandsons.com.
