

# MARTIN TREE SERVICE, LLC

In business for 30+ years, Martin Tree Service, LLC (MTS) can handle all your tree work needs. Located in New Holland, we serve the surrounding counties Lancaster, Chester, Berks and parts of Lebanon county. What makes Martin Tree the preferred tree service? Our employees! Our staff consists of several foreman that have been with the company since the early years, certified arborist, certified crane operators and many hard working, safety aware workers. MTS is fully insured and has monthly safety meetings to meet insurance requirements and guidelines.

**Jeff Martin**

We now own two cranes, one being a 40 Ton and the other, a 75 Ton, for those difficult-to-reach trees. With our two certified crane operators, and our many skilled workers, we are able to accomplish almost any tree work that you would be looking to have done. From your basic job, to even more involved jobs that require road details, permits, certified flagging and even scheduling with power companies for power disconnects.

Having two cranes and two operators, we are now branching out to offer crane rentals for steel erections, rooftop units, trusses and many other construction needs.

The office is staffed full-time Monday through Friday, 7:00 a.m. to 5:00 p.m. You can stop in at 950 East Earl Road, New Holland, call 717-354-5939 to speak to our office staff or email us at [info@martintreeservice.com](mailto:info@martintreeservice.com). You can also view our website at [www.martintreeservice.com](http://www.martintreeservice.com) and follow us on Facebook and Twitter.
