RABER'S TIRE

(L-R): Justin, Levi, Jeriah, Ray, Tina, Richard, Jarren and John

According to John Raber, running a small business that is family owned and operated is the only way to go. When Raber's Tire opened their doors in 2008, John and his son Jarren worked together to do whatever it took to bring customers satisfaction. Their dedication to this principle caused the business to grow in leaps and bounds, bringing John and Jarren to the point where they couldn't keep up anymore. John decided to hire his nephew, Jeff Mast. With the help of another family member, Raber's Tire is ready to help and satisfy even more customers, without having to sacrifice their desire to remain family owned and operated.

John started his career at the age of 21 in a family owned and operated retail tire shop. The business was owned by John's brother-in-law. "It's been a blessing to work with family members," comments John. For three years, John continued to work with his brother-in-law as a shop foreman. In 1997, John opened his own tire shop in Cambridge, Ohio. Under the clear leading of God, John and his family moved to Ephrata in 2008. Raber's Tire opened in the spring of the same year.

Upon opening, John wanted to reflect his family's desire to honor and glorify God in everything they did, including changing tires. This desire hasn't changed as they still seek to serve Him, as they serve you. They thank and glorify God for prospering His business abundantly. John characterizes the tire business as hard work, but also very satisfying and enjoyable. He always looks forward to the next day at work.

"Big and small, we do them all" describes the tire inventory available to customers. Passenger, light truck, farm, lawn and semi-tires are available for purchase. Raber's features Yokohama brand tires. Yokohama offers a full range of styles and sizes and with factory direct ordering Raber's is able to offer this great brand of tires at amazing prices. They also carry many other major tire brands such as Bridgestone, Firestone, Michelin and Goodyear. Also, if you are looking for low cost tires, Raber's Tire has them as well. They always try to keep economy level tires in stock. Super Savings are also offered on all name brand tires. At Raber's Tire, "Service Sells and Quality Tells."

The Raber team also mounts and balances all tires purchased for free. Service to customers is always the number one priority.

If you are looking for unbeatable prices, as well as quality tires and service, stop by Raber's Tire at 743 East Main Street, Ephrata. Business Hours are Monday through Thursday 8:00 a.m. to 5:30 p.m. and Saturday by appointment. They can be reached at 717-738-1636.
