

# Fairmount

*Dedicated to Faith, Family & Community*

For more than 56 years, Fairmount has been offering exceptional, compassionate health care to our community. Fairmount's commitment to our mission is expressed: *"Founded on Christ's love and Mennonite values, we strive to enrich the lives of those we serve."*

As a Continuing Care Retirement Community, Fairmount offers multiple levels of care, including Residential Living cottages and apartments, Personal Care, Health Care and Rehab. Our aim is to provide for the health and wellbeing of all those we serve, right here on our 56+ acre campus.

Our Core Value of Community is at the heart of what we do. We have been blessed with hundreds of volunteers who also support our mission. In turn, our residents continue to find ways to serve our broader community.
