

# FOR HIS GLORY BOUTIQUE

For His Glory Boutique is a size inclusive Christian clothing store for women of all ages. Owner, 23-year-old Evyona Rickenbach, noticed a lack of affordable and stylish modest clothing while growing up. She aimed to create a place where women could easily find fashionable, modest clothing without feeling outdated.

For His Glory Boutique stands out from similar companies because of its unique style. Evyona has a young boho/cottagecore style that also incorporates contemporary fashion. She has a degree in fashion design and has been fortunate to have experience in the fashion world including working at bridal shops, fabric stores, and even helping design and create dresses for the Grammys.

Evyona found the right resources to start her business while working at The Main Street Exchange.

For His Glory Boutique aims to offer affordable items that do not compromise on quality. Evyona loves when people come in and experience pure joy as they find something that fits perfectly. "Beautiful and simple," "Great selection, lots of sizes and super friendly owner," and "You'll love visiting this tremendous Christian small business," are just a few quotes from satisfied For His Glory customers.

Evyona would like to thank not only her husband for his continuous support in making her vision come to life, but also her family, who have been a great help and blessing to her.
