## *Celebrating Two Major Milestones!*

Gehret Associates is celebrating two key milestones: 75 years of serving Ephrata-area clients with their tax and insurance needs, and Janna (Fravel) Alspaugh's 30th anniversary as owner. Janna recently expressed her gratitude, "Throughout the years, I have been blessed to be a part of an incredible team! We appreciate our customers, past and present, and extend our special thanks for the trust they've placed in us. We look forward to serving the community for many more years."

Janna (Fravel) Alspaugh purchased the Gehret Associates in 1994 and has steadily invested over the past 30 years to grow the firm's base of clients and staff. She was hired to the business' tax preparation department in 1988 and mentored by the original owner, Robert Gehret. Early in her career, she acquired her insurance licenses due to her interest in investments and various other insurance products.

Janna is a graduate of Lancaster Bible College and Harrisburg Area Community College and is a Registered Tax Return Preparer. Additionally, as a Financial Coach with Ramsey Solutions, her passion is assisting individuals through financial dilemmas related to personal or business matters.

Gehret Associates' incredibly dedicated team, including several long-term employees of 25 years or more, provides exceptional client care and offers sales and service for investments and insurances, such as auto, home, business, life, disability, and Medicare. In 2010, the business moved to its current location, 322 North State Street in Ephrata (previously Donecker's Bed & Breakfast).

75 years ago, founder Robert Gehret (1921-2011) was encouraged by Charles "Tremendous" Jones to start Gehret Associates. Bob's natural charisma and genuine care for people grew his Ephrata-based business quickly.

Today, the focus remains on thoughtfully assisting individuals and small business owners through remarkable customer care and a broad suite of products and services.
