

HERTZOG'S GARAGE & USED CARS

Hertzog's Garage & Used Cars, located at 2 Main Street in Denver, is a family-owned and operated business. **Hertzog's offers a wide range of services, including general repair, major and minor engine repair, heater and air conditioning service, state inspection, state emission testing and used car sales.**

Hertzog's uses the latest technology in computer diagnostics and test equipment. Hertzog's is an "Auto Service Plus Center." Mr. Hertzog, along with Technicians Rod Hertzog and John Ditzler, likes to keep his customers informed about preventive maintenance, which saves money on unnecessary repairs. They'll even pick up and deliver your vehicle for repairs! Hertzog's carries Mastercraft and Goodyear Tires and uses computer spin balancing.

Check out the selection of quality used vehicles. You're sure to get a great car, at a great price, at Hertzog's.

Hertzog's Garage & Used Cars has a solid reputation for service and dependability. Mr. Hertzog has over 33 years of ownership experience, as well as over 45 years of mechanical experience. Hertzog's is open Monday through Friday, 7:00 a.m. to 5:00 p.m. For more information call 717-336-8288.
