

LANCASTER SCHOOL OF COSMETOLOGY & THERAPEUTIC BODYWORK

Celebrating 45 Years!

If you have ever thought about a career in the art of personal services, Lancaster School of Cosmetology & Therapeutic Bodywork may be the next step in your career training. The school offers courses in Cosmetology, Esthetics (Skin Care), Nail Technology and Massage Therapy.

Celebrating 45 years of education and services to students and clients, the school was founded in 1979. Current owners, Deborah A. Dunn and Gerard E. Geist acquired the school in 2002. Dunn and Geist both wanted to keep a quality, family owned, cosmetology school in the Lancaster area.

In addition to the educational opportunities in the classroom, a student salon and spa is also available. The salon and spa is very busy, with a wide variety of services being offered at about one third the cost of a non-educational salon or spa.

Lancaster School of Cosmetology & Therapeutic Bodywork has built a solid relationship with area salons and spas and has established an assertive approach to community service for the area.

No matter which direction you choose to go, Lancaster School of Cosmetology & Therapeutic Bodywork offers an educational experience in a friendly and fun atmosphere where instructors truly care about the students.

Lancaster School of Cosmetology & Therapeutic Bodywork is located at 50 Ranck Avenue, Lancaster. For more information, they can be reached at 717-299-0200 or you may visit their website at www.lancasterschoolofcosmetology.com.
