

Celebrating 39 Years in Business **MARTINS FLOORING**

Martins Flooring, a family-owned and operated business since 1985, has always focused on providing the highest quality flooring, tile, and window treatment products. They back up their commitment to service by offering guaranteed installation – giving you total piece of mind.

Martins Flooring recently expanded service to Chester County with a new showroom in Oxford, PA. They will gladly bring the showroom to you and help you choose the right flooring from the comfort of

your home or office. Take advantage of their free estimates and free design consultation to create the perfect look and feel for your lifestyle and design taste. Schedule an appointment to clean your floors with Martins Flooring award winning cleaning and maintenance service to help ensure that your floors remain beautiful.

Shop at home, visit a showroom, or discover blowout deals in the Flooring Outlet located behind the Fivepointville showroom. We Install Confidence.
