L-R: Brad Wolf, Art Pannebecker
and Hunter Pannebecker.

Continuing the tradition of conducting public auctions, now with a more modern approach, Art Pannebecker & Brad Wolf Auctioneers, Inc. hold weekly auctions, online, every Monday. All weekly catalogs can be viewed by going to their website, and all items can be previewed in person, at Renningers Antique Market, every Monday and Friday from 8:00 a.m. to 11:00 a.m. Handling a wide variety of items, including Antiques, Tools, Coins, Guns, Furniture, Household Items, and so much more, all items are sold to the highest bidder. Many buyers and sellers find the Online Auction method to be more convenient and stream lined, which perfectly fits each customer's busy life and schedule. Real Estate and On-site Auctions (live or online) are regularly conducted as well. Their friendly staff prepare, move, and conduct all personal property auctions, and when selling Real Estate they offer the full service of marketing the property as well as handling all showings, and open houses for their clients. They enjoy meeting people and pride themselves on completely satisfying their client's sale needs.

Art Pannebecker started in the auction business nearly 50 years ago. His grandson, Brad Wolf, joined the business 15 years ago, and another one of Art's grandsons, Hunter Pannebecker, is now fully involved in the daily operations as well. Brad is also a Licensed Real Estate Agent with Berkshire Hathaway Homesale Realty, being able to assist clients in every way possible. Much has changed in the world, and the industry, in the last handful of years, and although the method of conducting public auctions has changed, the same quality, professional, and complete line of services remain the same!
