

REINHOLDS VFW POST 6759

The Reinholds VFW Post 6759 was started in 1947 so there would be a place for military members to come and enjoy each other's company and to support those coming home from the war. The VFW is a family-friendly small business whose main focus is supporting veterans and the community. They donate to numerous community events each year, as well as the bulk of their donations go to help local veterans in various ways, including offering medical equipment such as wheelchairs, walkers, canes, potty chairs and shower chairs to those in need.

It takes four groups to insure the VFW survives: The Post, which is made up of military members, The Home Association, which is also made up of military members, but is separate from the post (this is the Canteen), The Auxiliary, which is made up of family members of military veterans and the social members (who are anyone who wants to enjoy the benefits of a membership, but doesn't qualify for the other categories).

The Reinholds VFW is a close-knit group who has amazing members willing to donate their time to any cause. Some of the special fundraising events held throughout the year include two purse Bingos, selling chocolate covered strawberries and peanut butter and coconut eggs, paint nights and car shows. They also host Easter and Christmas parties for kids, have karaoke contests, veteran's dinners, participate in Memorial Day parades and services, wreath laying and placing flags at cemeteries. Chicken BBQs are also held in the warmer months.

They also offer a variety of entertainment options for kids, families and night life including Senior Bingo, band nights/karaoke, kids' karaoke and customer appreciation nights. The Canteen part of the VFW has breakfast served daily until 11:00 a.m. Sundays feature breakfast specials every week. There is also a full dinner menu with rotating weekly specials every Friday, 5:00 p.m. to 8:00 p.m. Members enjoy Bingo and Bingo burgers every other Monday and Taco Tuesday from 12:00 noon to 8:00 p.m.

The bar offers a huge variety of beer, liquor, seltzers, ciders and non-alcoholic drinks. They have seven beers on tap and over 40 beers and seltzers in bottles and cans, as well as 10 different sodas. 50 different liquors are also offered.

The Reinholds VFW Post 6759 is truly a special place, as

the staff has had very little turnover with some of the employees having worked there for over 10 years, some up to 25! The VFW gets many compliments about the staff often, "The staff is awesome. That's what keeps people coming back," "The staff is awesome. This place is like family. The Veteran support is phenomenal." Many Veterans agree that it is the best VFW they've been to. "They are always so nice and helping the Veterans."

Steward and Auxiliary President, Britta Stuart thoroughly enjoys coming to work each day, "knowing what we do here and what we stand for is supporting Veterans. I love to see how our members get along, help each other and care about the VFW." Other staff members include Richard Sweigart, Home Association President; Matthew Fasnacht, Commander of Post; and Scott Fisher, Leonard Lausch and Larry Rutt, trustees.
